FORD ROUGE FACTORY TOUR CONVERSATION STARTERS

1. LEGACY THEATER

- Henry Ford grew up on a farm. Where did you grow up?
- Did you ever tinker with things like watches or engines as Henry Ford did?
- Have you been in a factory before? What did the factory sound like? What did it smell like?

2. MANUFACTURING INNOVATION THEATER

- Have you ever driven a pickup truck?
- When you were a child thinking of the future, how did you imagine we would use robots?

3. OBSERVATION DECK

- Have you seen a living roof before? Would you like to have plants like this on your roof?
- What does sedum feel like? Did you ever have plants like this in your garden?

4. ASSEMBLY PLANT

- Did you or a family member ever work in an assembly plant? What was made in the plant? What did you/they do?
- What do you smell in this assembly plant? Does it remind you of "new car smell"?
- What sounds do you hear? What do you suppose makes those sounds?
- Are you handy with tools? What do you build or repair with your tools? Who taught you to use the tools?

5. LEGACY GALLERY

- What was your first car? What did you like about it?
- What was the coolest car you ever drove?
- Did you ever take a family vacation in a car? Where did you go?
