

February 2009

Dear Old Car Enthusiast,

The Henry Ford would like to invite you, your family, and your vehicle to be part of the 2009 Old Car Festival on September 12 & 13, 2009 at Greenfield Village. Old Car Festival is open to all *stock* vehicles produced through 1932. Restored and un-restored vehicles are eligible. All vehicle parts, including aftermarket parts, must be authentic and appropriate to the period of the vehicle. Documentation may be required.

Applications are reviewed by our curators and historians as they are received. You will be notified by mail as to whether or not your vehicle meets our requirements. Please read the enclosure for details regarding the application procedure and show requirements. The Old Car Festival Committee reserves the right to decline any vehicle it feels does not meet the requirements of the event. If for some reason your vehicle is not accepted for Old Car Festival and you would like to discuss our decision, we welcome the opportunity to share our concerns with you.

**Please fill out the enclosed Old Car Festival Application and mail or fax it to the address noted on the application. In an effort to streamline our process we ask that you e-mail digital photograph(s) of your vehicles to [ParticipantInfo@thehenryford.org](mailto:ParticipantInfo@thehenryford.org). If you are unable to send a digital photograph, please enclose a color photo with your returned application. Additional Old Car Festival Application forms can be obtained at [www.thehenryford.org](http://www.thehenryford.org). The deadline for registration is July 31, 2009.**

Each accepted, registered participant will receive the following when checking in with their vehicle(s):

- Four (4) participant buttons for the first vehicle registered and one (1) button for each additional vehicle registered. The buttons will entitle the bearer free admission to both the village and the museum on the days of the event. *This does not include IMAX or the Ford Rouge Factory Tour.*
- Coupons for discounted purchase of up to four (4) additional admission tickets to Greenfield Village, and coupons for discounted purchase of up to four (4) combination ride passes.
- A souvenir dash plaque.

Old Car Festival is two full days of activities along with the amazing Gas Light Tour on Saturday evening. Each day will highlight different types of vehicles and different decades. It truly is a unique experience to drive and display your vehicle in the historic setting of Greenfield Village, and we strongly encourage you to attend both days. After all, you and your vehicle *are* the show! We look forward to seeing you at the 2009 Old Car Festival.

Sincerely,

Jim Johnson
