Top 5 youth group experiences

- 1. Climb aboard** the 600-ton Allegheny steam locomotive, sit on Rosa Parks Bus, tour the Dymaxion House and grab a wrench to assemble a Model T— all in *Henry Ford Museum*.
- 2. Spend the day** exploring *Greenfield Village* on historic rides*. Cruise in a vintage Model T or see it all from the seat of a railcar pulled by an historic steam engine. You can even take a spin on the Herschell-Spillman Carousel, populated by a fanciful menagerie that includes an ostrich, a rooster, dogs, swans and a giant frog.
- 3. Get creative** in *Greenfield Village*. Craft a hand-dipped candle* using nature's resources. Watch artisans "pull" glass and decorate pottery using materials that haven't changed in thousands of years. Or meet American greats like the Wright Brothers, Thomas Edison and Huck Finn as they share their stories.
- 4. Go green** at *Ford Rouge Factory Tour*. Experience the new outdoor Living Laboratory Tour, get hands-on with the advanced tools used to build vehicles in the new Smart Tools display, and have fun with the new Flexing for the Future assembly line interactive.
- 5. See blockbuster movies** on Michigan's largest IMAX® screen. Showing this summer: *Night at the Museum—Battle of the Smithsonian: The IMAX Experience*®, *Transformers—Revenge of the Fallen: The IMAX Experience*® and *Harry Potter and the Half-Blood Prince: the IMAX Experience*®.

Check TheHenryFord.org for IMAX® Theatre showtimes.
* Additional costs.
