

## DIGITAL CAMERA AGREEMENT

DIGITAL PHOTOGRAPHS TAKEN IN THE BENSON FORD RESEARCH CENTER READING ROOM

**Note:** The Benson Ford Research Center reserves the right to deny permission to photograph collection materials at its discretion. Please see **Digital Camera Use Policy** for procedures and handling instructions and follow all written and verbal instructions.

**The copyright law of the United States (title 17, U.S. Code) governs the making of photocopies or other reproductions of copyrighted material.**

**Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specific conditions is that the photocopy or reproduction is not to be “used for any purpose other than private study, scholarship, or research.” If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of “fair use,” that user may be liable for copyright infringement.**

**This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve or directly lead to violation of the copyright law.**

I agree that these digital photographs will be used solely for private study, scholarship or research. I understand that copyright is not conveyed with this copy. I will not quote from, publish, reproduce, or display any images, in whole or in part, without written permission from the copyright holder and the Benson Ford Research Center. The images will not be given to other institutions or individuals or sold.

I agree to defend, indemnify, save, and hold harmless The Henry Ford, its employees, officers or designates, from any and all costs, expense, damage and liability arising because of any claim whatsoever which may be presented by anyone for loss or damage or other relief occasioned or caused by the release of digital photographs to the undersigned and their use in any manner, including their inspection, publication, reproduction, broadcast, duplication or printing by anyone for any purpose whatsoever

I have read and agree to abide by the policy entitled *Digital Camera Use Policy in Benson Ford Research Center Reading Room*. I understand that my failure to follow these terms may result in the termination of photography privileges.
