Field Trips

Please note that we extend our discounted educational rate to home school groups when booking a field trip. We require a minimum of 10 students and one adult for every 10 students to qualify for this discounted rate. Groups unable to meet this booking minimum are welcome to visit, but no discounts would apply. We regret we cannot offer general admission tickets for individual family groups. Please include your desired visit date and venue or program experience you are interested in. A Contact Center representative will call you to complete the field trip booking.

Anticipated Visit Date: _____

- Henry Ford Museum of American Innovation
- Greenfield Village
- One-Room School
- Ford Rouge Factory Tour
- Giant Screen Experience
- Village Ride Pass

Memberships

Home educators qualify for a 25% discount on memberships (Individual through Family Flex plus Rides). A Contact Center representative will call you to complete the membership purchase, or bring this form with you to complete the purchase in person.

An Educator Open House is held semiannually at The Henry Ford.

Home school educators who have already registered with The Henry Ford are also able to sign up for our Educator Open House when registration for those events opens in spring and fall.

For more information on The Henry Ford's educational programs and resources, visit thehenryford.org/educatornews and sign up to receive our educator e-newsletter.
