

GIANT SCREEN EXPERIENCE

Continue the learning off-screen with The Henry Ford, and see what we have to offer that will engage and inspire the dreamer, doer, mover and maker in you.

Robots

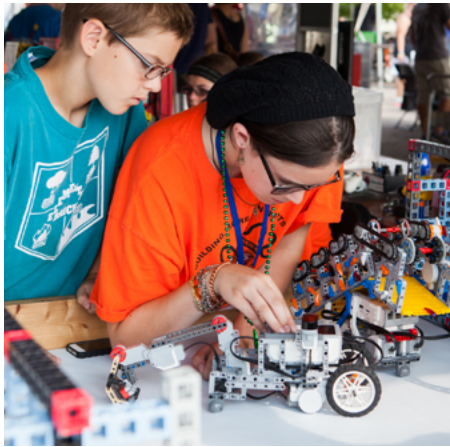

After you've seen the robots that scientists are developing in the lab, check out how robots are already being used in the real world!

Ford Rouge Factory Tour

- See robots in action on the [assembly plant walking tour](#) and highlighted in the [Manufacturing Innovation Theater](#).

Henry Ford Museum of American Innovation™

- [Maker Faire](#), our annual festival of creativity in arts and engineering, always features passionate student robotics teams that compete to solve different challenges each year.

thehenryford.org

- Find dozens of artifacts related to robots, including industrial robots and even robot toys, in our [Online Collections](#).
