Application Requirements

2. Be Creative! Please include a 2-page document (12-point font with 1-inch margins) that allows you to addresses the following questions:

   A. How do you incorporate innovative methods and models of instruction in your classroom to inspire student learning?

   B. Describe how you have utilized a multidisciplinary approach to student learning in the past.

   C. What experience do you have working collaboratively to generate classroom resources?

   D. Describe your experience with developing STEM-based curriculum?

   E. What experience do you have with implementing the following (subject area specific) standards in your content area?

      - **Science** - Next Generation Science Standards, Common Core State Standards

      - **Social Studies** - Michigan’s Grade Level Content Expectations for Social Studies

      - **Math** - Standards for Mathematical Practices and the Standards for Mathematical Content

      - **English Language Arts** - English Language Arts & Literacy in History/ Social Studies, Science, and Technical Subjects

Provide the following supplemental materials:

3. A recommendation letter from a fellow educator that addresses your collaboration and curriculum development skills.

4. Sample work (lesson plans or other examples) that demonstrates your expertise with developing curriculum aligned to specific standards.

Please send all four (4) completed documents to Ben Seymour, The Henry Ford, 20900 Oakwood Blvd., Dearborn, MI 48124, or bens@thehenryford.org, no later than May 15, 2017.
