## Horse-Drawn Carriages

\$400 for first hour, \$100 each additional hour, per carriage. For multiple carriages, there is a \$200 price reduction for each additional carriage, up to 4 carriages total.

### Specialty Carriages

**MacLaughlin Park Phaeton** 2 Passengers

**Vis-à-Vis White Carriage** 2 Passengers (not available during public hours)

**Columbus Buggywork Surrey** 2 Passengers

**Martha-Mary Opera Bus** 2-4 passengers

**Sarah Jordan Surrey** 9 Passengers

### Wedding tips:

- ▶ The Phaeton, Opera Bus and Vis-à-Vis Carriages are intimate and romantic options; they offer very limited (or no) space for a photographer, assistant and/or equipment. We recommend additional historic transportation with these carriages.
- ▶ Our carriage drivers are an excellent resource for the very best photo locations in Greenfield Village. This will help maximize your scheduled time. Please consider that large groups take longer to organize and photograph. You won't want to be late for dinner!

## Greenfield Village Omnibuses

**George Washington Carver** 8 Passengers

**Henry Ford** 10 Passengers

**Harvey S. Firestone** 12 Passengers

**Thomas Edison** 14 Passengers

### Wedding tips:

- ▶ Omnibuses are a great way to move a larger group around in Greenfield Village. When making your carriage requests, please consider the capacity carefully to include your photographer(s) and equipment. It is also worth mentioning that we base passenger capacity on "historically" sized guests. If your group is larger, you may want to opt for a larger carriage (please count children as passengers).

## Model T

\$275 Per Hour, 3 Passengers

### Wedding tips:

- ▶ A Model T is a great way for a couple to capture great Greenfield Village photo spots quickly, but remember the capacity of 3 guests (this would include the photographer). Please note: Posing in the driver's seat is fun, but Model T's are driven by trained staff only.
