Horse-Drawn Carriages

\$500 for the first hour, \$200 each additional hour, per carriage

Specialty Carriages

McLaughlin Park Phaeton 2 Passengers

Vis-à-Vis White Carriage 2 Passengers (not available during public hours)

Columbus Buggywork Surrey 2 Passengers

Martha-Mary Opera Bus 2-4 Passengers

Sarah Jordan Surrey 9 Passengers

Wedding tips:

- The Phaeton, Opera Bus and Vis-à-Vis Carriage are intimate and romantic options; they offer very limited (or no) space for a photographer, assistant and/or equipment. We recommend additional transportation with these carriages.
- Our carriage drivers are an excellent resource for the very best photo locations in Greenfield Village. This will help maximize your scheduled time. Please consider that large groups take longer to organize and photograph. You won't want to be late for dinner!

Greenfield Village Omnibuses

George Washington Carver 8 Passengers

Henry Ford 10 Passengers

Harvey S. Firestone 12 Passengers

Thomas Edison 14 Passengers

Wedding tips:

- Omnibuses are a great way to move larger wedding parties around Greenfield Village for photo opportunities. When making your carriage request, please consider the capacity carefully to include your photographer(s) and equipment. It is also worth mentioning that we base passenger capacity on historically sized guests. If your group is larger, you may want to opt for a larger carriage (please count children as passengers).

Model T

\$325 per hour, 3 Passengers

Wedding tips:

- A Model T is a great way for a couple to capture great Greenfield Village photo spots quickly, but remember the capacity of 3 guests (this would include the photographer).

Please note: Posing in the driver's seat is fun, but Model Ts are driven by trained staff only.

Enhancements are special products with limitations, including scheduling availability, maintenance and weather. Capacities listed as are all based on maximums and strictly enforced for your safety. Enhancements are for private events only and are never available during special evening programs, including Motor Muster, Old Car Festival, Salute to America, Hallowe'en and Holiday Nights. Prices and policies are subject to change. Please see your event planner for more details.
