All New! Edison's Eats

The Henry Ford's award-winning culinary team serves up their craft Maker Fair® Detroit, with an inspired menu that's designed to blow away your taste buds! Visit Edison's Eats to experience our team's talents in action as they build three unique Concorde Sausage burgers, make over-the-top french fries loaded with toppings like bacon and raclette sauce, and reinvent fried shrimp and grits. Plus, there are flatbreads, sandwiches, hot dogs, a corn boil, desserts and a beer garden. While you're there, ask our chefs to share their stories and passion for using locally sourced ingredients.
