

Greenfield Village

Spring Activities 2021

Discover more than 250 acres of awe-inspiring experiences:

- ▶ **Louis Comfort Tiffany: Treasures from the Driehaus Collection**
March 6-April 25, 2021, Henry Ford Museum of American Innovation

This exhibition celebrates the artistry and craftsmanship of the Tiffany artworks from Chicago's distinguished Richard H. Driehaus Collection, highlighting masterworks never before presented in a comprehensive exhibition. Featuring more than 60 objects spanning over 30 years of Tiffany's prolific career. One of America's most renowned artists, Louis Comfort Tiffany worked in nearly all of the media available to artists and designers in the late 19th and early 20th centuries—glass, ceramic, metalwork, jewelry and painting.

Free for members or with museum admission.

- ▶ **Henry Ford Museum of American Innovation Opens March 27: Driven to Win: Racing in America**

From soapbox derbies to open-wheel, stock car and drag racing, Driven to Win: Racing in America, presented by General Motors, guides visitors through the worlds of those who invented their way into the winner's circle and often changed the world in the process.

- ▶ **Member Preview Day at Greenfield Village**
April 16

The benefits of membership are even better during Member Appreciation Days. Enjoy a member-only preview day at Greenfield Village.

▶ **Greenfield Village**

Reopens April 17

Experience firsthand the sights, sounds and sensations of America's fascinating formation, where over 80 acres brim with resourcefulness and ingenuity. Here, 300 years of American perseverance serve as a living reminder that anything is possible. Step foot in the lab where Thomas Edison had his light bulb moment or the workshop where the Wright brothers taught us to reach for the sky. Take a ride on the historic train or a walk through four working farms. Dive deep into the studios of world-class artisans, and explore the place where America's can-do spirit inspires you to go out and get it done.

▶ **Invention Convention Michigan**

April 24, Virtual

Invention Convention Michigan provides students in grades 3-12 an interactive and interdisciplinary opportunity to use the invention process to create and pitch an original product at a statewide convention. Students will build their critical thinking and entrepreneurial skills and may qualify to compete at Invention Convention U.S. Nationals. There is still time to get involved and inspire the next generation of inventors and entrepreneurs.

▶ **Corporate Partners + Community Outreach Partners**

Through our Community Outreach Program, The Henry Ford partners with a diverse array of community-based organizations that provide direct social services to resource-challenged clientele in the metropolitan Detroit area. Through these partnerships The Henry Ford provides complementary admission for the communities they serve. We'd love to hear about your company's community outreach initiatives. Please let us know if you are interested in discussing ways to better connect with this dynamic program.
