**Greenfield Village**

# Spring Activities 2022

**Discover more than 250 acres of awe-inspiring experiences:**

## ► **Apollo: When We Went to The Moon**

**February 19-May 8, Henry Ford Museum of American Innovation**

Launch yourself behind the scenes for man's first steps on the moon, and find out how the space race inspired generations of Americans to reach for the stars. Apollo: When We Went to the Moon is an out-of-this-world glimpse into the cultural, technological and political context of the moon landing.

Free for members or with museum admission.

## ► **Member Preview Day at Greenfield Village**

**April 15**

We're so grateful to our member community, and we can't wait to welcome you back for another season in Greenfield Village. Join us for the one day of the year when we open the village just for our members and guests covered by your membership.

Digital Corporate Membership pass is required for admission.

## ► **Greenfield Village Reopens**

**April 16**

Experience firsthand the sights, sounds and sensations of America's fascinating formation, where over 80 acres brim with resourcefulness and ingenuity. Here, 300 years of American perseverance serve as a living reminder that anything is possible. Step foot in the lab where Thomas Edison had his light bulb moment or the workshop where the Wright brothers taught us to reach for the sky. Take a ride on the historic train or a walk through four working farms. Dive deep into the studios of world-class artisans, and explore the place where America's can-do spirit inspires you to go out and get it done.

Invention Convention Michigan

Day Out With Thomas™

Detroit Central Market

## ► Invention Convention Michigan

**April 30, Henry Ford Museum of American Innovation**

Invention Convention Michigan provides students in grades 3-12 an interactive and interdisciplinary opportunity to use the invention process to create and pitch an original product at a statewide convention. Students will build their critical thinking and entrepreneurial skills and may qualify to compete at Invention Convention U.S. Nationals. There is still time to get involved and inspire the next generation of inventors and entrepreneurs.

## ► Day Out With Thomas™

**May 13-15 and 20-22, Greenfield Village**

Thomas the Tank Engine™ is pulling into The Henry Ford. Join the party at the Day Out With Thomas™ Celebration Tour. Rumble down the track aboard Thomas, and meet Sir Topham Hatt™ on a fun-filled springtime adventure in Greenfield Village. Experience wide-eyed, memory-making moments around every corner — magic shows, storytelling, play areas, live music and more.

## ► Detroit Central Market

**Spring, Greenfield Village**

The grand opening of the historic Detroit Central Market will take place this spring. First opened in 1861 in Detroit, the building was saved from demolition and acquired by The Henry Ford in 2003. The building has been under reconstruction since 2019 and marks the first permanent building addition to Greenfield Village since the Detroit, Toledo & Milwaukee Roundhouse in 2000.
