### Frequently Asked Questions

**Q: Does The Henry Ford provide the buses?**

**A:** No. The scholarship provides reimbursement for transportation at the rate of \$200 per 75 visitors as stated on the application form. The school is responsible for reserving field trip transportation and making payments.

**Q: When will I receive my check for the buses?**

**A:** Transportation reimbursement checks are mailed after your field trip. It is your responsibility to secure your own buses. If you are awarded the transportation scholarship, you will receive a reimbursement check within three weeks of your date of visit.

**Q: When will I be notified about acceptance?**

**A:** Applications will be reviewed immediately after each deadline. You will be notified of the decision within two weeks of the deadline.

**Q: What if my student count changes?**

**A:** Please be as accurate as possible estimating how many of your students will participate in the field trip. This will allow your classroom and other students in need of admission assistance to have a field trip this school year. Once you are awarded the admission scholarship, we understand that your student count may fluctuate. If your student count increases after you have received approval for a scholarship, this must be covered by the school. If there is a reduction in the number of students, this will be reflected in your scholarship. When your numbers change, it's imperative that you telephone the Call Center (313.982.6001, press 1) prior to your visit so that we can adjust your reservation. This will ensure a prompt check-in and accuracy in your ticket count on the day of your arrival. If you receive a scholarship at 50% admission coverage and you reduce your numbers, the number of scholarship admissions will be reduced to correspond with the 50% ratio.

**Q: How do I pick up my tickets?**

**A:** Tickets can be picked up at the Group Check-in counter either in advance or on the day of the visit. Additionally, for a small fee, your tickets can be shipped to you in advance. If you have an outstanding balance, we recommend that your balance be paid in full prior to your field trip. This will eliminate wait time and allow you more time to visit your chosen venue. Date changes must be in the same season.

**Q: What season and days are best to come to The Henry Ford?**

**A:** The spring season is The Henry Ford's busiest time for school groups; during the week, Thursdays and Fridays are the most popular. We recommend Monday, Tuesday or Wednesday field trips when possible.
