Holiday Nights in Greenfield Village

Social Narrative
I am going to Holiday Nights in Greenfield Village! I can’t wait!

While in Greenfield Village, I will:

1. Stay with my adult at ALL times.

2. Walk only. No running.

3. Not touch anything without my adult’s permission.

4. Not climb on anything unless my adult says it is ok.

If I get lost, I can go to a Greenfield Village worker and ask for help. To find a worker, I will look for someone who is in one of the buildings or selling something or wearing a police officer uniform.
There will be lots of people in Greenfield Village. They may stand close to me. If I am bothered by the number of people, I need to tell my adult.

To take a break at any point, I can visit the quiet zone in the Carding Mill in Liberty Craftworks. There will be bean bag chairs and fidgets in this space.
While at Holiday Nights, my family or group will go in many different buildings. I will see holiday decorations in many of the buildings.

I will also see people cooking. I will smell food cooking and hear people talking about the food. There will be lots of people in these buildings. If the number of people bother me, I can let my adult know that I need a break.
In some of the buildings, I will see people weaving, printing, making pottery, and creating objects out of glass or tin.

In other buildings, I can make a craft or write a letter to Santa.
On the balcony of one of the buildings, I will see Santa. I will also see his reindeer nearby.

In another building, I can check out a model train display.
If my adult says it is ok and goes with me, I can ride on a carousel, Model T car, or horse-drawn wagon. I will need to wait in line with other people. I will not touch other people and will let my adult know if I need a break.
If my adult says it is ok, I may be able to go ice skating. I can use ice skates provided at Greenfield Village.

I may also be able to eat or drink something, if my adult says it is ok. It will be crowded in the areas with food and drink.
Throughout the evening, I will hear people playing music, in both the streets and buildings of Greenfield Village.

If I am cold, I can warm myself by a fire. I will smell woodsmoke by the fire and will be careful not to get too close to the flames.
At the end of the night, I will gather on the Village Green with my family or group and many other people for a sing-along and fireworks. The fireworks will be loud. If I am bothered by the people or fireworks, I need to tell my adult.

After the fireworks, we will leave Greenfield Village. I had a great time and can’t wait to come back next year!
