WALLACE & GROMIT™ AND SHAUN THE SHEEP®: SHEAR GENIUS!

OPEN THROUGH APRIL 20

HENRY FORD MUSEUM OF AMERICAN INNOVATION®

In this hands-on exhibit, visitors will step into the environments of Wallace & Gromit and Shaun the Sheep — 62 West Wallaby Street and Mossy Bottom Farm — to explore the contraptions, antics and escapades of Wallace, Gromit, Shaun and other familiar Aardman characters through dramatic play and interactive opportunities.

Designed for children ages 3 through 9, *Wallace & Gromit™ and Shaun the Sheep™: Shear Genius!* builds on problem-solving themes found throughout both shows. Components and activities throughout the exhibit encourage children to playfully solve and talk about problems in fun, engaging ways.
