BEGINNER

FOLDING INSTRUCTIONS

1

Fold paper in half along a diagonal line from top right corner to bottom left corner.

2

Fold bottom edge up 1/2 inch.

3

Repeat step 2.

4

Slide thumbs along bottom edge to gently shape paper into a curve.

5

Take bottom right side and insert it inbetween folds of bottom left side.

6

Push each side in as far as possible to secure the connection.

FLIP FOR NEXT STEP

7

With fingers, make slight indentation in top tips.

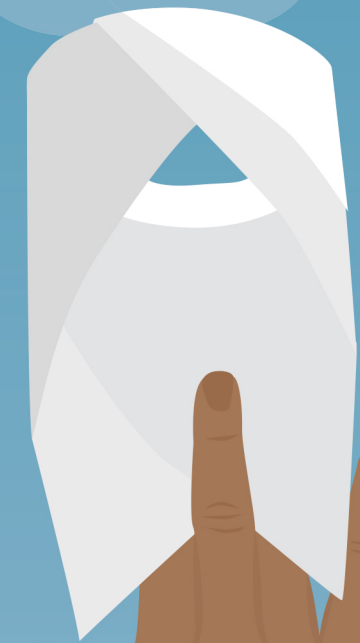

8

Make any adjustments, now you're ready to FLY!

SEE DIAGRAM BELOW FOR FLYING INSTRUCTIONS!

HOW TO HOLD

HOW TO FLY

Hold Glider up with tips facing down. Pull your arm back about 45° , then extend your arm forward and release the plane once you've reached the angle shown in the diagram.
