1. Fold paper in half lengthwise. Open.

2. Fold corners down to center line.

3. Flip paper over and fold triangle back.

4. Flip over again and fold right corner to center line.

5. Repeat on other side.

6. Flip over.
7 Fold top point down to meet lower point.

8 Flip back over.

9 Open right flap pocket, push out and over to form a point. Press flat.

10 Repeat on opposite side.

11 The end result of Steps 9 and 10 should look like this.

12 Flip over and fold in half.

13 Fold one side down to make a wing, repeat on the other side.

14 Fold back the edges of each wing about half an inch so they stick straight up.

15 Adjust wings and FLY!
