Giant Screen Experience

The big screen gets even bigger. Our all-digital, 2D/3D, giant 4K screen breathes new life into cinema’s most legendary films. And they let you see the big picture clearer than ever.

Benson Ford Research Center

The world’s most comprehensive resource for researching stories of innovation, ingenuity and resourcefulness. Access to nearly limitless information and inspiration is at your fingertips.

NOTE: Photography is permitted for personal use unless otherwise posted. Photography is not allowed on the Ford Rouge Factory Tour in the Dearborn Truck Plant. Visitors may be filmed, photographed or recorded by The Henry Ford for educational and promotional uses. Please no selfie sticks.

All attractions closed Thanksgiving and Christmas days.

For more information and tickets, call 313.982.6001 or visit thehenryford.org.

The Henry Ford is a nonsmoking facility.

OUR MISSION

The Henry Ford provides unique educational experiences based on authentic objects, stories and lives from America’s traditions of ingenuity, resourcefulness and innovation. Our purpose is to inspire people to learn from these traditions to help shape a better future.

“One of the country’s best museums ...”
— Condé Nast Traveler
A Letter from The Henry Ford President

What ignites your inner spark and awakens the dreamer, doer, mover and maker in you?

At The Henry Ford, we ask ourselves this question every day as we bring together the stories, innovations and artifacts of America’s past to help inspire the millions of visitors that come here to imagine what’s next.

Our unparalleled collection includes Thomas Edison’s Menlo Park Lab, the home and bicycle shop where the Wright brothers first flirted with flight and the Rosa Parks Bus where the civil rights movement was set in motion. The Henry Ford also has expanding online/digital content, a charter public high school that is helping shape the minds of our next generation of innovators and entrepreneurs, and an Emmy® Award-winning television show, The Henry Ford’s Innovation Nation, every Saturday on CBS, that provides a national platform for today’s most promising innovators and inventions.

These are just some of the ways by which we strive to fuel the spirit of American innovation and inspire an optimistic, entrepreneurial, can-do culture.

Welcome to your world of possibility and potential.
Welcome to The Henry Ford.
Discover Inspiration in Innovation

When Buckminster Fuller reimagined the established structure of the American house, he did more than design an architecturally efficient circular home. He inspired an entire generation of innovators to think outside the box. His Dymaxion house, inspired by scientific analysis of human needs and made out of lightweight aircraft-inspired aluminum, was a stunning accomplishment in engineering proficiency.
HENRY FORD MUSEUM OF AMERICAN INNOVATION

Step into a world where past innovations fuel the imagination of generations to come. A vibrant exploration of genius in all its forms, Henry Ford Museum of American Innovation allows you to experience the strides of America’s greatest minds while fully immersing yourself in their stories. Step inside the bus where Rosa Parks took a stand by taking a seat. Play pilot as you explore flight innovations, starting with the Wright brothers’ achievements, or make yourself at home inside Buckminster Fuller’s circular Dymaxion House. Put yourself in the place of the movers and shakers who blazed the trail to where we stand today. And in doing so, discover your own path.

MUST-SEES

**DRIVING AMERICA**
Explore how the automobile has transformed society over the past 100+ years.

**RAILROADS**
Marvel at the sheer size and power of locomotives that moved people and products across this vast country.

**PRESIDENTIAL VEHICLES**
Admire the evolution of presidential travel through five significant vehicles.

**HEROES OF THE SKY**
Look up and around at the creativity that led man and machine to reach new heights.

**WITH LIBERTY AND JUSTICE FOR ALL**
Learn about America’s ongoing struggle for freedom from the revolution through the civil rights movement.

**MADE IN AMERICA**
Study the legacy of innovative makers who sculpted America into a manufacturing superpower.

**YOUR PLACE IN TIME**
Experience the rich interplay between people and technology through five 20th-century generations.

**DYMAXION HOUSE**
Tour Buckminster Fuller’s environmentally efficient, circular aluminum dwelling. A fascinating design ahead of its time.

**FULLY FURNISHED**
Marvel at a stunning collection of American furniture spanning from 1670 to the present.

**AGRICULTURE**
Climb aboard a real combine and explore what’s considered the nation’s finest collection of agricultural equipment.

**INSIDER’S TOUR**
Experience the stories behind some of our most iconic artifacts in this one-hour tour. See a Guest Services Associate for more information. 10 a.m.-3:30 p.m. daily. Additional ticket required.

23. Sperry-New Holland Combine
24. First Fordson Tractor

**PRESIDENTIAL VEHICLES**
8. FDR Sunshine Special
9. Kennedy Limousine

**HEROES OF THE SKY**
10. 1939 Douglas DC-3
11. Ford Tri-Motor Airplane
12. Sikorsky Helicopter

**MADE IN AMERICA**
13. Lincoln Chair
14. Rosa Parks Bus
15. Build a Model T
16. Corliss Stationary Steam Engine
17. Miller Hardware
18. 1917 Overland Car
19. MTV Green Screen
20. Dymaxion House
21. Eames Chair Prototype
22. Aeron Chair
25. Davidson-Gerson Modern Glass Gallery
Make Your Mark

Power goes public in Greenfield Village’s Armington & Sims Machine Shop. This traditional job shop serves as the training ground for innovative minds today. Nearly all of its 19th-century machinery is fully functioning. And makers of all ages will delight in the ability to use the machines to participate in a hands-on brass candle-crafting experience. Additional fee required.
GREENFIELD VILLAGE

Experience a place where over 80 acres brim with resourcefulness and ingenuity. Where 300 years of American stories pulse with life. Step foot in the lab where Thomas Edison had his lightbulb moment. The Bagley Avenue shed re-created by Henry Ford to share the story of where he built his first car. Or the workshop where the Wright brothers taught us to reach for the sky. Discover our nation’s most formative years at the place where everything feels astonishingly real. Because it is.

HISTORIC DISTRICTS

WORKING FARMS
Discover why agriculture is the backbone of America as you immerse yourself in the practices of centuries-old farms.

LIBERTY CRAFTWORKS
Get inspired by early American handcrafting in our maker community of skilled artisans who employ authentic techniques.

HENRY FORD’S MODEL T
Trace the life of Henry Ford from childhood to the creation of the Model T — then take a ride in one.

RAILROAD JUNCTION
Climb aboard one of the most amazing forms of public transportation invented. Then get an insider’s look at a roundhouse equipped to maintain a mighty steam locomotive.

MAIN STREET
Experience a bustling thoroughfare where entrepreneurship, community and commerce — and America’s earliest startups — thrived.

EDISON AT WORK
Explore an original R&D lab and learn how Thomas Edison’s tireless experimentation led to a viable way to illuminate the world.

PORCHES AND PARLORS
Witness the diversity of daily home life in America and how it shapes who we are.

HISTORIC RIDES Additional ticket required

A WEISER RAILROAD (3 stops)
Located in Working Farms, Railroad Junction and Porches and Parlors Districts
$5 per person (unlimited rides)

Located in the Main Street District
$3 per person

BUY A RIDE PASS TODAY
Experience the village by horse, train, bus, carousel and Model T. Members: Ask about our annual member ride pass upgrade. See a Guest Services Associate for details. Additional ticket required.
Game-changing technology, sustainable design and sheer American grit meet at America’s greatest manufacturing experience. Immerse yourself in the awe-inspiring scale of the real factory floor where the F-150 is made, and pop the hood on Ford’s rich design and manufacturing history during this one-of-a-kind tour. This is innovation on wheels.

**LEGACY THEATER**
Discover the Rouge Complex’s long history of triumphs, tragedies and innovations, from Henry Ford’s pioneering vision of vertical integration to today’s sustainable manufacturing.

**APPROXIMATE TIME:**
13 minutes

**MANUFACTURING INNOVATION THEATER**
Experience a multisensory exploration of the vehicle manufacturing process, filled with jaw-dropping special effects.

**APPROXIMATE TIME:**
10 minutes

**OBSERVATION DECK**
Get a bird’s-eye view of environmental innovations: the mammoth living roof, naturalized habitat, solar arrays and energy-saving photovoltaic panels.

**VARIABLE TIME:**
5-15 minutes

**ASSEMBLY PLANT**
Travel the elevated walkway above the Dearborn Truck Plant’s lean and flexible assembly line.

**VARIABLE TIME:**
30-45 minutes

**LEGACY GALLERY**
The groundbreaking V-8, the classic Thunderbird and the Mustang. Explore the vehicles made at the Rouge.

**LIVING LABORATORY TOUR**
See sustainable design in action. Discover how natural processes help manage the Rouge’s water, soil and air.

**OUTDOOR TOUR RUNS**
May 1-September 30, weather permitting

**HANDS-ON EXPERIENCES**
- Test-Drive Smart Tools
- Flexing for the Future
- Explore Green Design
- NEW! Collections Explorer Kiosk

**Ford Rouge Factory Tour Bus Pickup/ Drop-off**
All buses depart from the circle drive in front of Henry Ford Museum of American Innovation. Buses depart regularly throughout the day from 9:20 a.m. to 3 p.m. Last bus leaves the factory tour at 5 p.m.

*Theater shows begin every 20 minutes, 9:20 a.m.-4 p.m.*

There are no dining facilities at the Ford Rouge Factory Tour, but there are facilities at Henry Ford Museum of American Innovation. For dining information and hours, see Page 6.

We ask that there be no photography, cellphone use, eating or drinking in the theaters or on the plant walkways. Daily vehicle production is based on actual vehicle sales orders, so you may be touring when we are not building vehicles.

Even when the factory is not in full operation, you’ll get a behind-the-scenes view of the complex web of overhead conveyors, vehicle elevators and just-in-time parts delivery systems that make this Ford’s most technologically advanced plant.

*Named one of the 10 great places to be inspired by innovation by USA Today*
