

the **Henry
Ford**®

A family of five is waving from a vintage black car. The car is parked in front of a two-story red brick building with green awnings. The awnings have "MRS. D." and "444" written on them. A signpost with multiple directional signs is visible in the background. The family consists of a man, a woman, and three children. The man is driving the car. The woman is sitting next to him. The three children are sitting in the back of the car. They are all smiling and waving their hands.
