Modern Vehicles, Parking & Shuttle Services

Specific parking instructions will be announced in the weeks leading up to the event. We will be accommodating overnight parking for modest-sized campers, motorhomes, and trailers in a modern parking lot located on our campus. Please note there is no water or electrical hook-up available.

It is preferred that you unload your modern equipment in the modern parking lot and drive your antique vehicle into the Village. However, if you need to bring any modern vehicles or trailers into the Village, please be aware:

Modern vehicles of any kind are not allowed in Greenfield Village during these hours:

- **Any time on THURSDAY – this has been reserved for packet pick-up only.**
- **Before 5:30 pm on FRIDAY**
- **9:15 am – 9:30 pm on SATURDAY**
- **9:15 am – 5:30 pm on SUNDAY**

Amenities:

For the duration of the event weekend, including the Friday night of check-in, a continuously running shuttle service will be available to all participants. You must be wearing your participant wristband to ride these shuttles. They will pick up from our modern parking lot location and will drop off in the Eagle Tavern parking lot.

Shuttle Hours: Schedule and information will be confirmed prior to the event. You may check in with us for this information as the event gets closer.

To rent a scooter or wheelchair, please visit the Concierge Office, located to the right of the Village Ticket Building. *Please note:* Scooters and wheelchairs cannot be reserved, and are issued on a first come, first served basis. It is recommended that you arrive as close to 9am to ensure a reservation.

Alternatively, you may also drop off and/or pick up a modern vehicle before the Village opens (9:30am) and after it closes (9:00pm on Saturday, and 5:00pm on Sunday). You can also drive your historic vehicle in and out of the Village as needed throughout the weekend.

Handicap Parking is no longer available in the Eagle Tavern parking lot. Our shuttle services allow for easy access to and from your modern vehicle(s). At least one shuttle is **ADA compatible**. As always, guests are permitted to drive in any modern equipment to drop off guests before 9am both Saturday and Sunday.

During the Event

- Vintage vehicles will be displayed throughout Greenfield Village and may remain on the grounds the entire weekend. Ramps or docks for unloading and loading are not available, nor is covered parking.
- All period vehicles will be on display in rough chronological order throughout Greenfield Village along the roads for guest viewing. Some vehicles may be used in historical vignettes.
- You may cover your vehicle while parked in the Village overnight; however, it must be uncovered before 9:30am the following morning, when the Village opens to guests. (Small, unobtrusive shade tents will be allowed during the show.)
- Greenfield Village will be open to the public 9:30am-9:00pm on Saturday and 9:30am-5:00pm on Sunday. It is expected that all participants will showcase their vehicles during the times Greenfield Village is open for Motor Muster.
- Selling of any kind is not allowed in Greenfield Village during guest hours except by approved vendors.

Pass-In-Review

During Motor Muster we have several presentations taking place at the Main Stage, located on Main Street at Washington Boulevard. These are narrated by our team of expert historians. Pass-in-Review is one such presentation. Our team in the field will notify preselected participants when it is time to proceed to the main stage with their vehicle. Times are also listed in the event Program that will be available at check-in, the Information Booth in front of Town Hall and/or at the Village front gates. Once at the stage, our automotive historians provide information about your vehicle type to the crowd of spectators. They may include unique and innovative features found on this model, as well as any vehicle information you have included in the application.

The reviewing stand is located on Main Street at Washington Boulevard. Ample covered bleacher seating for guests will be located across from the reviewing stand. All times will be listed in the Program.

Awards & Activities:

Popular Choice Voting - When we first started Motor Muster, the advisory board of collectors told us they wanted this to be a fun event rather than a highly competitive one. Guests and vehicle owners can cast their vote for their favorite vehicle by filling in the ballot using the participant number shown on the Dash Card displayed on the vehicle. Awards will be presented on Sunday at approximately 4:30pm.

Curator's Choice - Curator's Choice - Awarded to the best preserved of the unrestored cars entered in the show. We see very few vehicles that have had no restoration work completed. These awards allow our curators the opportunity to review vehicles that are both unrestored and unmodified from their original

condition. This review by the curatorial team has no bearing on whether a vehicle is accepted or denied participation in the event. Two Curator's Choice awards will be presented on Sunday.

Special Event - Saturday, 7pm – Live Music - Look for evening programming and event details on the website closer to Motor Muster weekend.

Other Activities - Please check your program for times and locations of other fun activities for the whole family.

Vignettes of the Decades – Look for special sights, sounds and activities of decades past as we celebrate our history.

Special Considerations:

As a participant, you occupy an unusual position during this program. Not only are you a guest with respect due, but you are also a representative of The Henry Ford with responsibilities to the guests. You can help make our guests' visit memorable just by showing a genuine interest in them, sharing in their excitement, and engaging in some friendly conversation. We understand that we may ask more of you at our program than at other events, but we need your help to present a successful program.

There may be weddings on Friday or Saturday evenings in the Martha-Mary Chapel with receptions in Eagle Tavern and/or Lovett Hall. Although Motor Muster is the primary event taking place in Greenfield Village, there may be other uses of The Henry Ford's venues. We ask all participants to be courteous towards one another.
