# HOLIDAY DINING FAQs

### **Is Holiday Nights in Eagle Tavern available for parties smaller than six guests?**

To prioritize the safety of our members and guests, we are unable to accommodate dining groups of five or fewer guests. In previous years, Holiday Nights in Eagle Tavern was served family-style, with multiple parties seated at the same table sharing dishes communally. To prevent the spread of COVID-19, we feel it is necessary to limit intimate seating and service style between parties. We encourage our guests to invite friends and family to create a dining group of six to nine guests. We hope to be able to accommodate smaller parties for future events.

### **Is there a minimum guest requirement for Supper with Santa in A Taste of History Restaurant?**

There is no minimum guest requirement as seating is flexible in A Taste of History, with multiple-size tables. All guests within a single purchase will be seated together. Seating requests to join other parties will be accommodated based on availability. Please make note of any seating requests when purchasing tickets online.

### **Do you accommodate dietary restrictions?**

Yes! We are able accommodate most dietary restrictions, offering gluten-free, vegan and vegetarian meals. Please make note of any restrictions when purchasing tickets online.
